ABOUT ME

As a recent graduate with a Bachelor of Science in Computer Science (BSCS),
I am fueled by a passion for technology and a relentless curiosity to explore
the frontiers of computer science. Eager to embark on a transformative academic journey.
I have successfully completed a comprehensive BSCS program, which has equipped me with a solid foundation in computer science principles, programming languages, and problem-solving methodologies. The program's emphasis on critical thinking and hands-on projects has honed my analytical skills and prepared me for the challenges of an advanced academic setting.
